

My Ultimate Sports Tracker

Group3

Teresa Hartsfield, Paul Todd, Shelly Foxworth-Hill, and William Chalk

Project Description

As a basketball fanatic, I would love to have a resource where I can locate the upcoming games, stats and odds for my favorite teams!

Motivation - Fun, exciting and potential for future development!

Who doesn't LOVE basketball?

"It's not about any one person. You've got to get over yourself and realize that it takes a group to get this thing done" - Gregg Popovich

Team Delegation

Front-end

Teresa Hartsfield and Paul Todd

"Paul has a willingness to pick up parts of a project where others felt weak in, and his motivation to have a product with great design features is why I've enjoyed him as teammate on this project." **William**

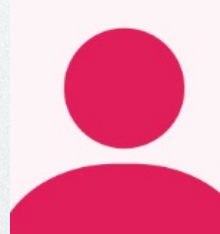

"From the beginning Teresa has taken the initiative, from creating the repo, to setting up meetings and helping me a lot with my design I was very lucky to work with her. With her help the project has run smoothly." **Paul**

Team Delegation

Back-end

William Chalk and Shelly Foxworthy-Hill

"I have enjoyed getting to know Shelly. She is a professional and it truly has been a pleasure."

- Teresa

"William's willingness to help others and his knowledge of front-end and back-end web development is what makes him such a great teammate."- **Shelly**
